

The 26th Annual High School Shoot started out as a dismal day with early showers and a 10 to 15 mile per hour breeze! By 8:00 A.M. there had been a steady stream of vehicles pulling into the parking lot at the Cedar Falls Gun club. There were 346 students from across the state. Practice rounds and registration followed shortly after their arrival running up to the 10:00 o'clock hour. About 9:45 the President of the Cedar Falls Gun Club welcomed all to the annual event and turned the mike over to Pat Lyman for a brief safety talk on gun handling and safety rules. Kevin Campanella then announced the shooting order which took in consideration all the schools that had prom that evening. The national anthem was sung by Jane Griffith at 10:00 A.M. and the competition began!
